

Mike's Brew Shop Fermentation System Project - Feature #8

Passing data to python script.

08/12/2021 05:27 PM - Michel Gauvin

Status:	New	Start date:	08/12/2021
Priority:	Normal	Due date:	
Assignee:	Michel Gauvin	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
We need a way to pass data to the beer_ferm_srv python script (pi_srv.py) to be able to set the setpoint from a webpage.
